## Script

**Jules:** Morning.

**Doris:** Good morning. I'm Doris. They asked me to drive you today. Are you all set back there? You got your seat belt fastened?

**Jules:** What happened to Ben?

**Doris:** Oh, somebody said that he got transferred. Um, you know the best way to get back to headquarters?

**Doris:** Hold your horses, maniac! Which way, hon? I am all turned around here.

**Cameron:** You told me to transfer him.

**Jules:** That was two days ago. Why didn't you check with me?

**Cameron:** First of all, that was yesterday.

**Jules:** Well, where is he? Do you know?

**Jules:** You must think I'm demented.

**Ben:** It is not the word I would use, but I was a little surprised when I got the call. Jules, I apologize if I overstepped in some way.

**Jules:** No. No, no, no. No, please don't apologize. You have done nothing wrong. Look, I have a lot going on, and I'm a very private person. And at first, I don't know, I thought maybe this wasn't going to work, but I was wrong. Let me get one of those.

**Ben:** Jules, no explanation necessary. Please.

**Jules:** No, actually, one is because I am usually better than this. The truth is something about you makes me feel calm, or more centered or something. And I could use that, obviously.

**Jules:** I hope you'll accept my apology and come back to work for me. If you want. And I'm not just saying this because I screwed up this morning. But I was thinking that I'd like to bring you up to my area, next to Becky. I know you can handle more work. If you'd like more.

**Jules:** Oh, god, I can't tell you how much I hate that I jumped the gun and I made you feel...

**Ben:** I'm coming back. I'm happy to come back.

**Jules:** Excellent. Can I give you a lift back to the office?

**Ben:** Sure, thanks. Can I take this?

**Jules:** No. Actually, do you mind driving? I don't technically have a license.

**Ben:** Sure.
