Part A **Correct the Script** *Listen to the song and fix the words that do not match the lyrics.*

Teacher's note: On the first listen, pause the song occasionally so listeners have a chance to write the answers.

I was a ghost, I was ~~around~~ **alone**

어두워진 앞길 속에 (*In the darkened road ahead*)

Given the throne, I didn't know what to believe

I was the queen that I'm meant to be

I lived two lives, tried to play two sides

But I couldn't find my own way

Called a problem child 'cause I got too wise

But now that's how I'm getting paid, 끝없이 on
stage (*endlessly*)

I'm done hiding, now I'm shining like I'm born to be

We dreaming hard, we got so far, now I'll believe

We're going up, up, up, it's our moment

You know together we're growing

Gonna be, gonna be golden

Oh, up, up, up to our voices

영원히 깨질 수 없는 (*Can never be broken*)

Gonna be, gonna be golden

I'm done hiding, now I'm shining like I'm born to be

Oh, our time, no tears, no lies

That's who we're born to be

Waited too long to break these walls down

To wake up and feel like me

Put these patterns all in the pass now

And finally live like the girl they all need

No more hiding, I'll be shining like I'm born to be

'Cause we are hunters, voices strong, and I know

I'll be free

We're going up, up, up, it's my moment

You know together we're growing

Gonna be, gonna be golden

Oh, up, up, up, with our voices

영원히 깨질 수 없는 (*Can never be broken*)

Gonna be, gonna be golden

I'm done hiding, now I'm shiny like I'm born to be

Oh, our time, no fears, no lies

That's what we're born to be

You know we're gonna be, gonna be golden

We're gonna be, gonna be

Born to be, born to be growing

밝게 빛나는 우린 (*We shine brightly*)

You know that it's our time, no fears, no whys

That's who we're born to be

I was a ghost, I was **alone**
