## Part 2: Language Reductions

- Hey Mike. What are you doing?
- Hey Aron. I'm looking at the university course descriptions.
- Oh. Nice. What are you \_\_\_\_\_ \_\_\_\_\_ \_\_\_\_\_ ?
- I \_\_\_\_\_ \_\_\_\_\_. There are too many options. \_\_\_\_\_ \_\_\_\_\_ \_\_\_\_\_ think I should take?
- I \_\_\_\_\_ \_\_\_\_\_. It depends on what you \_\_\_\_\_ \_\_\_\_\_ \_\_\_\_\_ after you finish high school. What are you \_\_\_\_\_ \_\_\_\_\_ \_\_\_\_\_ after you graduate?
- I \_\_\_\_\_ \_\_\_\_\_. I \_\_\_\_\_ \_\_\_\_\_ \_\_\_\_\_ engineering at university, but I \_\_\_\_\_ \_\_\_\_\_ if my grades are good enough.
- Really? I thought you did well.
- Mostly, yeah. But I got Cs in math and chemistry.
- Oh yeah... they are probably important for engineering.
- I know. So I am considering trying to get into a different major. But I \_\_\_\_\_ \_\_\_\_\_ which one?
- I think you should talk to a counselor. I'm \_\_\_\_\_ \_\_\_\_\_ \_\_\_\_\_ there now. Do you \_\_\_\_\_ \_\_\_\_\_ \_\_\_\_\_ with me?
- I \_\_\_\_\_ \_\_\_\_\_ if it would help. \_\_\_\_\_ \_\_\_\_\_ \_\_\_\_\_ think?
- It couldn't hurt. C'mon let's go.
- Thanks Aron. I will.
